

# Turn a Page. Touch a Mind.

Early Literacy Program

## Application to become a site

This is an application of request to the Kansas Pediatric Foundation (KPF) to become a *Turn a Page. Touch a Mind.* (TAP-TAM) literacy site in Kansas. KPF is the charitable arm of the Kansas Chapter, American Academy of Pediatrics, and provides funding to TAP-TAM sites so that they can distribute books at well-check visits from 6 months through 5 years old.

The information provided below will be presented to the KPF site selection committee for review. New site approvals are based on location, funding available, Medicaid/Medicare population served, and number of children served.

Contact Mel Hudelson at (913) 940-8965 or mel.hudelson@kansasaap.org if you have questions.

Completed applications should be faxed to the KPF office at **(866) 519-0365**.
