hospital

**A No Hit Zone is an environment that supports a culture  
of safety and health where:**

No adult shall hit another adult.

No adult shall hit a child.

No child shall hit an adult.

No child shall hit another child.

## We pledge to:

1. Make our home a No Hit Zone.
2. Model and teach positive ways to work through conflict with others.
3. Provide a safe and engaging learning environment for children.
4. Adults in the household commit to using child discipline that does not involve hitting.
5. As a family, we support safety and health for all family members.
6. We have read the pledge rules and agree that:

## This Home is a No Hit Zone.
